### COACHES CODE OF CONDUCT

I recognize that coaching is a privilege, not a right, which may be granted to me by HLL in the best interests of the children involved.

If so chosen, I will remember at all times that the intention of Little League Baseball is to foster sportsmanship, team camaraderie, and knowledge of baseball amongst the children of Hampton LL.

I will not argue with, raise my voice or use inappropriate language with coaches, umpires, parents or league officials in such a way as to denigrate the aforementioned goals. This applies to both on field and off-field activities that might be observed by the players.

I understand that failure to adhere to these rules may be grounds for suspension or dismissal.
